Thank you Cheryl and Jesse

On Thursday July 28, 2012, The Shrine Center Bridge Club of Livingston, New Jersey managed by Cheryl Angel and directed by Jesse Reisman held a Grand National Team (GNT) Fund Raiser. These games help raise funds to send district Grand National Teams winners to the finals. The masterpoint awards for this event are 100% sectional rated black. We encourage all clubs to follow their lead and run a GNT Fund Game.

Although Cheryl runs a full time bridge club she finds the time to teach bridge at Oakwood Elementary School in Orange, New Jersey with Barbara Clark, a District 3 Youth Coordinator. The Bridge Club at Oakwood meets at 7:30am Wednesday mornings. In September, The Shrine Center Bridge Club will have bridge lessons for many of these students after school.

In only its first year of operation 'The Shrine' ([www.shrinecenterbridge.com](http://www.shrinecenterbridge.com)), as it is known to many who frequent the club, is committed to promoting quality instruction at all levels and will be hosting a special guest lecture by Larry Cohen on September 8 this year. They will also be a venue for the Unit 140 Pro-Am game on September 28 along with Toms River Bridge Club and The Bridge Center of Central NJ.

District 3 thanks Cheryl and Jesse for supporting and sponsoring Unit and District events.
